

BLUE NOTE WHEATED

NEW MELODY. SAME SOUL.

Soft winter wheat steps into the spotlight as the infamous climate pulls every hidden nuance forward... ripe peach, brooding caramel, and a flash of apricot riding shotgun with cinnamon spice. On the palate, the wheat throws its weight around in all the right ways: toffee that sticks, pastry sweetness with a little grit, and a hazelnut note that rolls into a raw, honey-soaked finish. Blue Note Wheated drinks smooth but never plays a timid note. A Bourbon with swagger and a story to tell. Blue Note Wheated Bourbon - a new note rises.
