

BLUE NOTE™

RYE WHISKEY

Blue notes were born in the 1920s on the streets of Memphis, TN in the juke joints, and they have since found their way into almost every other form of music. You feel a blue note almost as much as you hear one. They are the twangy notes that give a blues song its edge, providing the beat with personality, spirit, and soul. Blue Note Rye Whiskey is artfully crafted to honor the Memphis Blues and its influence on music through the creation of rock 'n' roll. Like the blues, this rye whiskey is bold, yet smooth.
