Down where the Mississippi and Wolf rivers collide just north of downtown Memphis, Blue Note finds its groove. This isn't just any stretch of land—it's a pocket of the South where thick heat clings to the day, cool breezes roll in at night, and the air itself seems to hum with music. Nature here doesn't just change the seasons; it plays its own kind of blues.

That's the soul of our whiskey.

It's here—where time stretches and temperatures swing like a well-played bass line—that our bourbon and rye age slowly, soaking up every drop of Southern character. What comes out the other side is anything but ordinary: rich, honest whiskey that hits all the right notes. Crafted with care. Aged in rhythm. Finished with soul.

BLUE NOTE™

STRAIGHT BOURBON WHISKEY

BORN IN KENTUCKY · RAISED IN MEMPHIS · FINISHED WITH SOUL

JUKE JOINT

Our go-to bottle of bourbon. Your everyday pour. Juke Joint is where the Blue Note story kicks off—bold, soulful, and built for good company. This Kentucky straight bourbon mellows in Memphis heat until it shines a deep amber, like the lights outside a late-night blues club.

The nose brings a sweet hint of corn, allspice, and toasted oak. On the palate? Vanilla and fresh pear with a soft, balanced finish that doesn't overstay its welcome. It's easygoing, but never ordinary—ready for a front porch night or just kicking back with an old record.

TOASTED - FRENCH OAK FINISH

Blue Note Toasted is where fire meets finesse. A 100-proof straight bourbon finished with gently toasted French oak from the Cognac region, it's the heat-kissed wood that shapes its soul. That subtle toast layers in depth and warmth, amplifying the character without losing its Southern swagger.

Memphis' notorious climate pulls every note to the surface—apple, caramel, vanilla, seasoned oak—like a band tuning up in perfect harmony. Bold yet balanced. Every sip carries the mark of the flame. Every glass, a journey worth savoring.

RYE

Blue Note Rye is a Kentucky rye whiskey aged a minimum of three years. It presents crisp apple, cinnamon, vanilla, and oak taste alongside an inherently smooth finish with lingering hints of vanilla, apple, and spice. Crafted to be approachable and unique, we like to think of our rye as smooth as choir of angels, yet as bold as a Beale Street nightclub.

SINGLE BARREL RYE

One barrel. One voice.

Single Barrel Rye is hand-selected for its standout character and bottled without blending ~ each one a solo performance shaped by Memphis' moody swings of heat, humidity, and time. No two are exactly alike and that's exactly the point.
