BLUE NOTE® HONEY RYE

BORN IN KENTUCKY

RAISED IN MEMPHIS

FINISHED WITH SOUL

Blue Note Honey Rye Cask is where bold rye spice and natural sweetness find perfect harmony. We begin by finishing our whiskey in American Oak barrels that have been seasoned with wildflower barrel-aged honey, creating a unique fusion of flavor and craftsmanship. Once infused with rich honey character, the casks welcome the rye back for an encore.

The result is a distinctive whiskey layered with notes of golden honey, baking spice, toasted oak, and subtle caramel sweetness. Blue Note's signature rye character shines through, delivering a balanced pour that is both vibrant and smooth. Every sip strikes the perfect note between spice and sweetness—finished with soul.
