

BLUE NOTE™

STRAIGHT BOURBON WHISKEY

Blue notes were born in the 1920s on the streets of Memphis, TN in the juke joints, and they have since found their way into almost every other form of music. You feel a blue note almost as much as you hear one. They are the twangy notes that give a blues song its edge, providing the beat with personality, spirit, and soul. Blue Note Bourbon is artfully crafted to honor the Memphis Blues and its influence on music through the creation of rock 'n' roll. Like the blues, this bourbon is bold, yet smooth.

'UNCUT' SINGLE BARREL PROGRAM

The Blue Note "Uncut" Single Barrel Program is a distinguished private selection experience, with a limited number of barrels released each year – each one its own solo.

Participants receive three unique cask-strength samples to find the barrel that strikes the right chord. Every selection delivers its own rhythm and character – bold, unfiltered, and bottled at full volume.

For those wanting to step into the studio, clients may visit the distillery to personally select their barrel and, with advance planning, take part in an intimate bottling and labeling session.
